COMMENTS

Consultation visit via phone with food establishment management, Melody Meyers. The phone conversation focused on the need for them to submit a current ice sample analysis from previous inspection performed on 1/25/21. A current ice sample can be sent to the inspector at Kenneth.Davidson@FDACS.gov. Failure to send the required documentation will result in a Stop Use Order issued on ice machine and operation.

This offsite industry visit is being conducted to document a verbal conversation to help assist the food establishment with compliance of recent food safety observations.
